Manager's Report:

Since our last meeting we have had an awards committee meeting to decide on 200 award and 650 award. All other awards will remain the same. The committee decided to get new key chain for the 650 that is bronze in color this is so the 650 and 250 don't look alike. Samples are being brought with manager. The 200-game award is being changed from the coffee mug to a bag again a sample will be at meeting.

Since the last meeting we have held the Senior Tournament and the Open/Woman City.
