The AL USBC Youth Scratch Regional was held at Bowl Madison this year. We had 70 bowlers participate.

The Youth tournament will be on February 14 and February 14 at Pin Palace.

The Southern Bowling Congress Tournament will start on February 28th with Team at Bowl Madison and Doubles/Singles at Pin Palace. It will bowl for 5 weekends. Ed Campell reported based on the numbers that the tournament is up by many bowlers from last year.

A reminder was given that it was the responsibility of the entire Board to help with this and all tournaments the Association hosts. In May we will also have the State Open that will take place at Bowl Madison for Team and

Redstone for Doubles/Singles. It will be the 1st 3 weekends in May. The next State Tournament will be State Mixed to be held at River City Lanes in Decatur the 1st 3 weekends in June.

HUSBC will be having Hall of Fame induction this year. Congrats to James Cagle Sr for Meritorious Service and Michael Price for Superior. The Hall of Fame will be held in July. Location for the Dinner is Bowl Madison with a cost of \$500 for the room. We will do an email vote for the meal and come up with a price of tickets for attendees.

Our next meeting is scheduled for April 19, 2026, at Bowl Madison time will be 2 PM.
